

DraftDeck Fantasy - Quick Start & Training

Quick Start Guide

What is DraftDeck?

DraftDeck Fantasy combines the thrill of fantasy football with trading cards. You collect player cards, each with real NFL stats, and compete weekly based on their real-time performance.

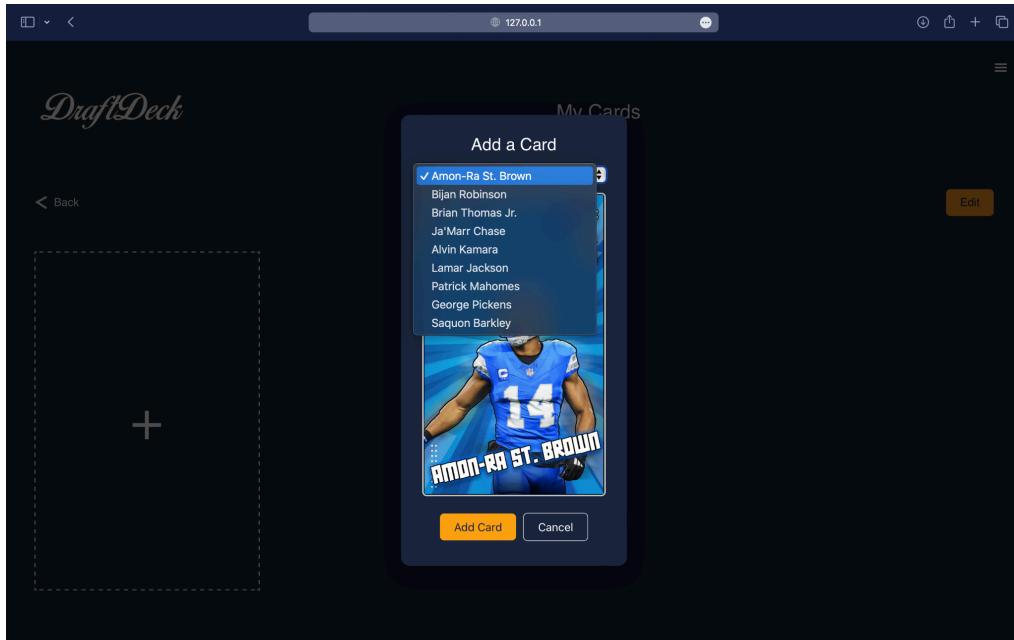

Set up your team in 5 simple steps:

1. Sign up using your email, username, and password

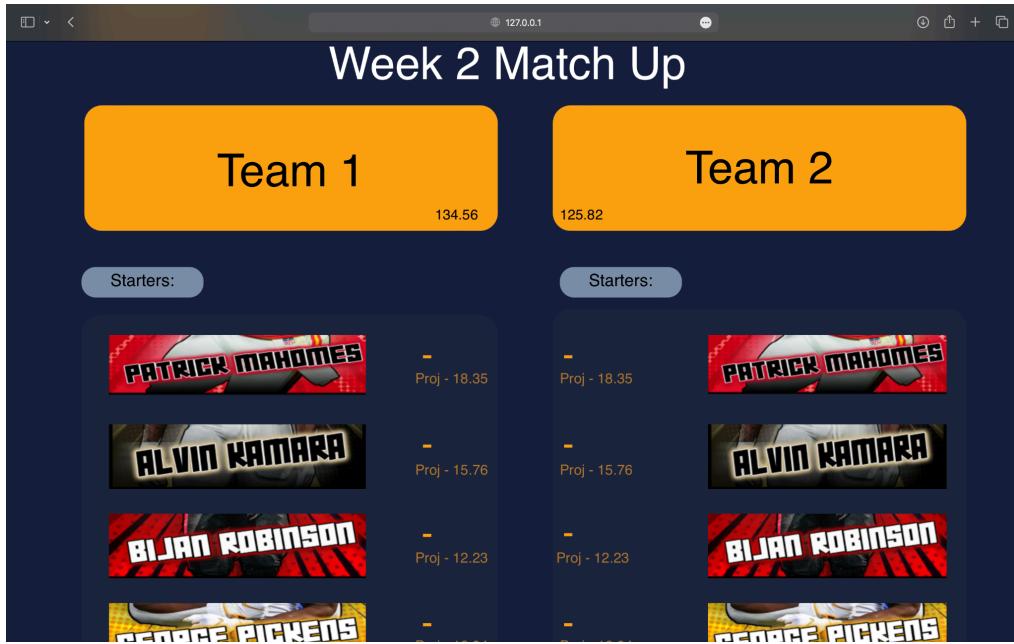

2. Go to the Draftroom

3. Select up to 9 unique player cards

The top navigation bar includes tabs for 'Match', 'Team List' (which is highlighted in orange), 'Player list', 'League', 'Schedule', and 'Draftroom'. Below the navigation is a section titled 'My Cards >' containing five cards: Amon-Ra St. Brown (WR #14), Bijan Robinson (RB #1), Brian Thomas Jr. (WR #1), Ja'Marr Chase (WR #1), and Alvin Kamara (RB #41). Further down, a 'Starting Lineup' section shows five team logos: Kansas City Chiefs (QB), Pittsburgh Steelers (WR), Jacksonville Jaguars (TE), New Orleans Saints (FB), and Atlanta Falcons (RB).

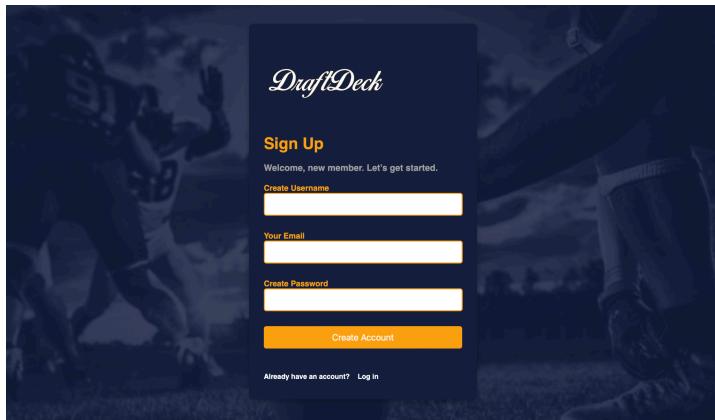

4. View your team in the Team List

5. Track your score and updates in Matchups and News
